Get ready for an unforgettable night of exploration, fun, and discovery at **Rochester Museum & Science Center**. Dive into hands-on exhibits, enjoy planetarium shows, and meet other students from around the area. Whether you're geeking out over science or just here for a unique night out, there's something for everyone!

Don't miss this chance to experience the museum like never before. Bring your **student ID** and your curiosity!

All tickets for the museum are free and planetarium tickets are free for the first 15 RIT students in attendance at each show.
